I searched the archive for "Pennsylvania Avenue Toxic Waste" and only returned e-mail about the public records request. I have nothing unless staff would suggest alternate search strings.

Good morning, Kevin!

I am working on trying to wrap up the Sesko public records request and I don't believe I've received any records (per Leighann's request back in July) from you? Appreciate your assistance - these records are due next week and I need review time.

Thank you!
